MEMORANDUM FOR: IG/CM(T) Members

FROM:

Chairman

STAT

SUBJECT: Agenda for Meeting of IG/CM(T)

1. As I recently indicated to you (ICS 0909-88), I plan to hold a meeting of the IG/CM(T) on 4 October 1988, 1500-1600, in Room 3C200, the Pentagon.

2. I wish to focus this meeting on two related agenda topics. First, we will evaluate the final "biannual" CI/CM report with the objective of producing by 31 October 1988 an "addendum" to our input to the biannual, to be addressed to the DDCI, that will more fully develop areas in which the biannual may fall short. In effect, this will serve as a follow-on to my July 1988 memorandum to the DDCI on the subject of improving our CI and CM posture. Second, we will attempt to prioritize IG/CM(T) requirements and identify the specific funding that will be needed in all areas in which the IG can take a role.

3. I will also expect brief committee reports on areas that may fall outside of the agenda.

4. Addressees or alternates planning to attend the meeting are requested to provide names and social security numbers to [redacted] by 1200 hours, 3 October 1988. Attendees are also requested to ensure that appropriate security clearances [redacted] are passed to [redacted] IC Staff, via the CIA Compartmented Information Branch, [redacted]. It is suggested that attendees enter the Pentagon through the Metro Entrance.
